About the Video

Ancient coin expert, Mike Markowitz gets interviewed about ancient coins and their role in the creation of Western civilization. He explains how ancient coins were works of art in their own right and how it is a miracle a coin survived to our modern times. Some of the topics he covers are the symbolism on coins and what it was like to live in the ancient world fraught with danger. A great must-watch video for those interested in ancient Greek and Roman coin collecting.
